## News and Updates

- Discussed pursuing a ban of puppy sales in larger cities throughout Nebraska. This would make it illegal for the stores that sell puppies to purchase from puppy mills. Instead they would/could partner with local rescues and shelters to help place adoptable dogs and cats.
- **The Paw Project:** <http://www.pawproject.org/> Members from The Cat House spoke about the dangers of declawing cats.
- Business Sponsorship/Partnership available for flyer distribution: We are considering print sponsorships for local businesses. Business logos will be printed on our redesigned flyer for distribution at local shops. Mellow Mushroom in Lincoln is participating as our first brochure partner and is distributing our information to their patrons. If you know of a business already expressed interest and venues in Omaha are also being considered.
